

INF5790, in-class exercise, Feb. 4th, 2011

1. Give your own spontaneous explanation of the three basic concepts: perspective/role taking, generalized other, and reflection-in-action
2. What have you learned about American pragmatism and socio-cultural perspectives from previous courses or own reading?
3. Give an example of an implication of Perspective-taking for educational practice:
 - a. in general (*group 1*), and
 - b. supported by computer (*group 2*).
