

How to deliver your paper in Inspera

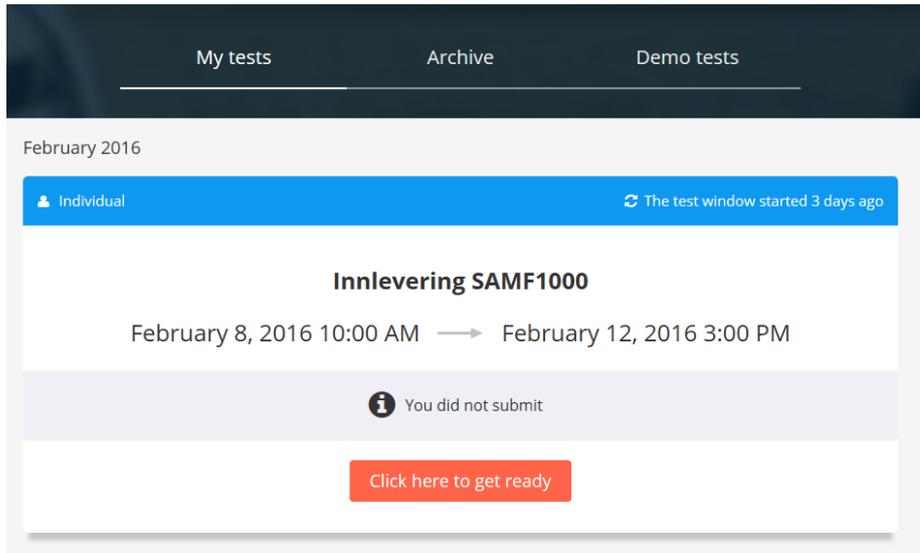

1. Finish your paper. Do NOT write your name on it. Candidate number is not necessary, because it is provided automatically in Inspera.
2. Convert your paper to pdf.
3. Go to uio.inspera.no and click on «Logg inn med feide». Log on with your UiO user name and password.

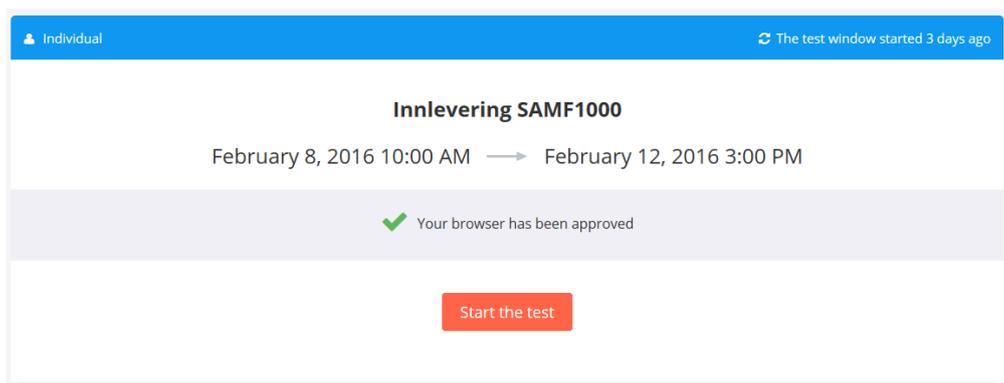

4. In the upper right corner you can change the language to english

5. Go to «My tests» and press «click here to get ready»

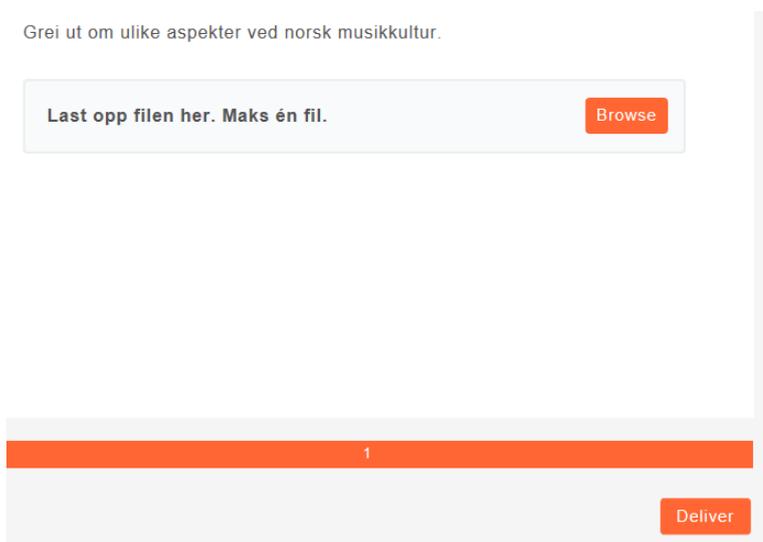

6. Click on «Start the test»

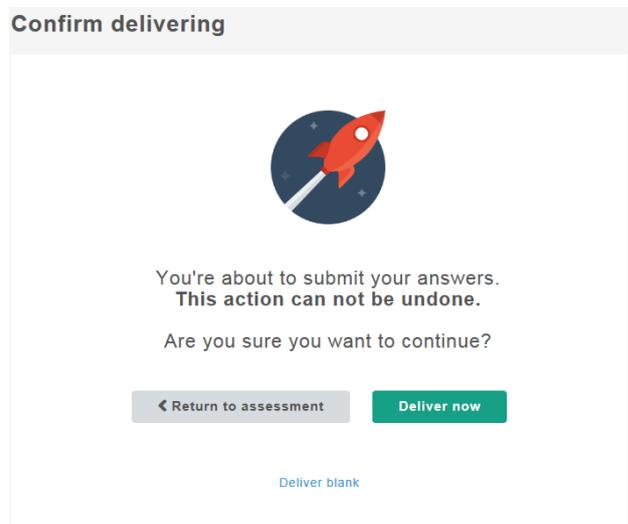

7. Click on «Browse» and find your pdf file.

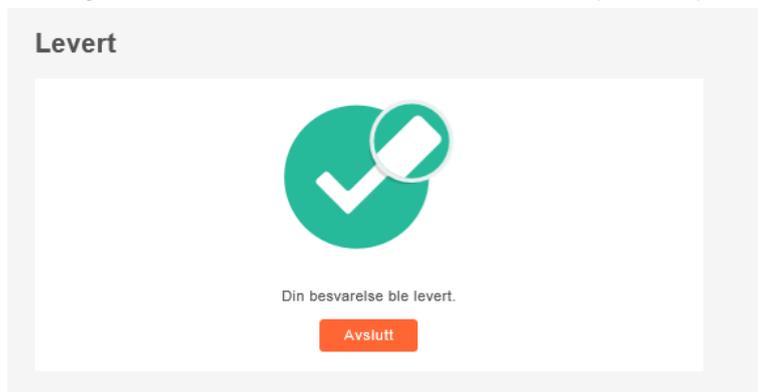

Click on «Deliver» when you are sure you want to deliver your file.

8. You will be asked to confirm your delivery. If you choose «Deliver now», you cannot regret it. Your file may only be delivered once.

9. After you have delivered, choose «Avslutt» («Quit»)

10. Under «Archive» you will find a confirmation of your delivery. A copy of your file will appear here when the delivery deadline has passed.
