

House rules for Sognsveien 66

- 1 It is prohibited to disconnect the ventilation fan (but you may adjust the speed and summer/winter-mode) or cover any of the air ducts.
- 2 Respect the quiet hours between 23:00 and 07:00 and noisy activities must be avoided after 21:00. Please keep the noise down on Sundays and holidays. If you plan to have a party you should notify the neighbours in advance.
- 3 Brushing, pounding or shaking of carpets/rugs must not be done from the windows or the balcony.
- 4 It is forbidden to throw anything from the balconies, including food and cigarette butts. Do not feed the birds from the balcony to avoid bird lice and excrement.
- 5 Be extremely cautious if you want to use a grill. On balconies you may only use gas or electric grills. If you live on the ground floor you may use coal grills, but make sure they are absolutely cold before throwing them away.
- 6 It is prohibited to light fireworks from the balconies.
- 7 It is prohibited to leave ANYTHING in the common areas
- 8 To make Sognsveien 66 a nice place to live, please take care of the common areas, plants and the green areas. It is everyone's responsibility to keep the whole area nice and tidy.
