Comments/footnotes:

- * Retirees may rent the cabins if no employees have applied to use the cabins during the same period.
- ** During the school summer holidays, we only offer weekly rentals - from 13:00 on Saturday until 12:00 the following Saturday. Additional days or weekend rentals are not available.
- *** During the school summer holidays, the cabins are reserved for private rentals. Corporate rentals for employees and colleagues are available during other periods.

Furufjell was acquired to provide University of Oslo employees with a wellbeing service and a place to visit for their holidays. For this reason, private rentals will be prioritised over corporate rentals during periods with high demand. However, we would like to increase the number of rentals during the winter season. Employees are encouraged to use the main cabin as a location for academic seminars and/or social gatherings.
