## Student Mobility for Studies

### Mobility between Erasmus+ countries (EU Member States and third countries associated to the Programme)

[Learning agreements are digital in the Erasmus+ 2021-2027 programme. Higher education institutions can exchange digital learning agreements through an IT system connected to the Erasmus Without Paper Network. This template is provided for those institutions that are in the process of connecting to the network and might need an editable version of the template. For more information, please visit the European Commission's webpage about [Erasmus Without Paper](#).]

## Commitment of the three parties

By digitally signing/approving, the student, the Sending Institution and the Receiving Institution confirm that they approve the learning agreement and that they will comply with all the arrangements agreed by all parties. Sending and Receiving Institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies. The Beneficiary Institution and the student must also commit to what is set out in the Erasmus+ grant agreement. The Receiving Institution confirms that the educational components listed are in line with its course catalogue or as agreed otherwise and should be available to the student. The Sending Institution commits to recognise all the credits or equivalent units gained at the Receiving Institution for the successfully completed educational components and to count them towards the student's degree. The student and the Receiving Institution will communicate to the Sending Institution any problems or changes regarding the study programme, responsible persons and/or study period.
