## Scholarships available for UiO program students!

### Meet students from all over the world this summer at the University of Oslo

Join nearly 600 students from all over the world for six intensive weeks of academic achievement combined with international interaction. ISS would like to provide UiO students the opportunity to experience this unique international academic environment. Therefore, we are offering a limited number of scholarships to degree-seeking students at UiO, from a selection of study programs.

Choose from 15 Bachelor's and Master's level courses. All teaching is in English. UiO students who receive a scholarship have the same participation requirements as all ISS students (obligatory attendance requirements, exam participation, etc.).

### What is included?

- Participation in 1-2 courses at Bachelor's level or 1 course at Master's level
- Reading materials
- One weekend excursion
- A broad social program

### Requirements

- Applicants must be enrolled at a degree program at UiO
- Applicants to Master's courses must have completed a Bachelor's degree in a relevant field

### Application deadline:

April 3, 2018

*Formål: «Internasjonalisering hjemme» ved at flere UiO-studenter:*

- får ta del i globale temaer gjennom et internasjonalt klasserom og pensum
- får et internasjonalt kontaktnett innenfor sitt fagfelt
- opplever undervisning på engelsk og får bedre språkferdigheter
- stimuleres til økt nysgjerrighet og interesse for å dra på utveksling til utlandet
- studenter som ikke har mulighet til å reise på utveksling kan få oppleve det kulturelle mangfoldet som Sommerskolen representerer
- tar med impulser fra ISS tilbake til sine respektive fagmiljøer og på sikt stimulerer til et enda mer åpent internasjonalt sosialt miljø på Blindern.

# Sommerskolens stipendpolicy - formål

1. *Promote UiO's global responsibility*
  2. *Stimulate academic solidarity and transformative dialogue across borders*
  3. *Support internationalization abroad and at home*
  4. *Strengthen the production and communication of knowledge in a multicultural context.*
