

# Circle U. – ny søknad

Innlevert 31 januar 2023

# Videreføring av alliansen

## Our vision:

By 2030, Circle U. is a research-intensive and interdisciplinary alliance deploying, through a joint innovative, adaptive and fully operational ecosystem, outstanding interdisciplinary education, research and innovation as a guiding light for progress towards more sustainable, democratic and healthier societies.

- **Our mission:**

Empowering our students and staff to mobilize knowledge for impact in order to make the world a better place.

# Call

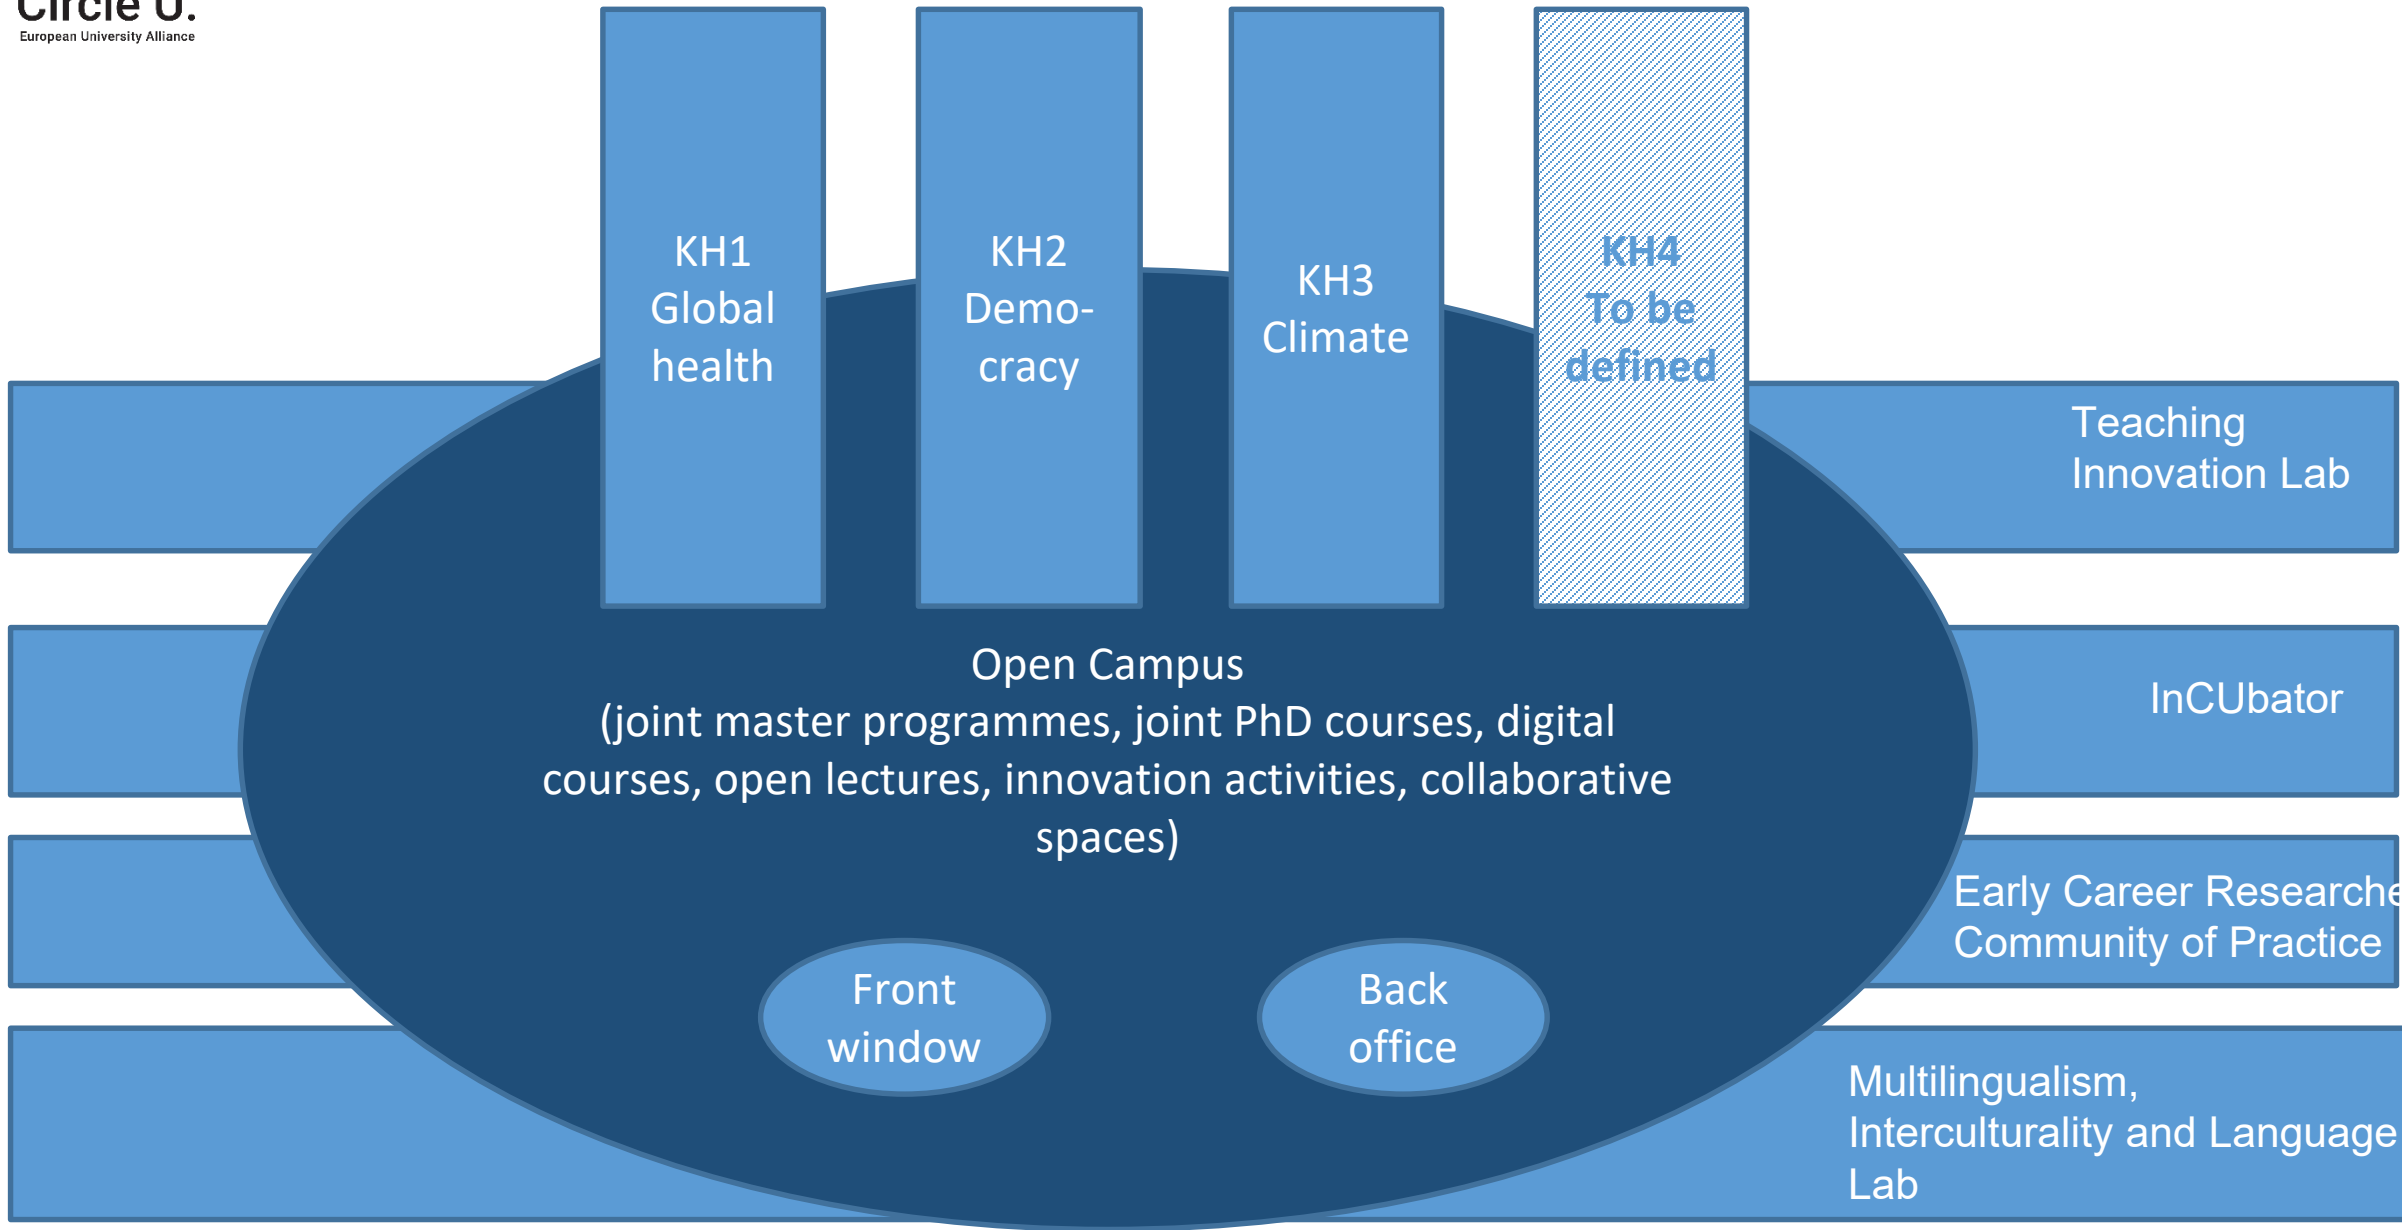

| Timetable and deadlines            |  |
|------------------------------------|--|
| Publication of the call:           | 30 September 2022                                |
| <u>Deadline for submission:</u>    | <u>31 January 2023 – 17:00:00 CET (Brussels)</u> |
| Evaluation:                        | February-June 2023 (indicative)                  |
| Information on evaluation results: | 30 June 2023 (indicative)                        |
| GA signature:                      | September - November 2023 (indicative)           |

- **Topic 1:** this call topic will provide support for **already existing deep institutional transnational cooperation alliances** including – but not limited to – the European Universities alliances selected under the 2020 Erasmus+ call for proposals. The aim is to build upon the institutional cooperation achieved so far and to further deepen, intensify and expand the effectiveness of this existing cooperation to advance the higher education transformation process towards fully fledged 'European Universities'.

# Task-force for ny søknad

- Bjørn Stensaker (leder TF)
- Eivind Engebretsen (editor /leder skriveteamet)
- Kevin Guillaume (GS)
- Esther Sulimovic (Paris)
- Katy Burgess / Viktoria Menczel
- (Wien)
- Veronica Moretti (Pisa)
- Shefali Shah (King's)
- Tony Sandset (Oslo)
- Ingemar Pongratz (konsulent)

# Utdanningsaktiviteter organisert i Open Campus

1. Three joint programmes on Master's or PhD level across and beyond the Knowledge Hubs
2. A new set of Bachelor modules on sustainability across and beyond the Knowledge Hubs
3. Short-term and blended flagship learning formats such as:
  - Circle U. Summer/Winter schools – scaling up the existing summer schools with more participants and possible summer/winter schools organized both by the Circle U. Knowledge Hubs and outside the KH topic areas.
  - Circle U. Conversations – blended and physical open “lectures” or seminars to larger audiences, in which academics and researchers engage with (non-academic) partners on a specific topic linked to our priority themes
  - Circle U. Open Courses – offering online courses or modules to Circle U. students and other learners that will lead to a certificate of participation, completion, credits (similar to small MOOCs)
  - Circle U. Challenge-based learning – multiplying and scaling up collaborative learning opportunities with more participants in diversified formats (hackathons, games, bootcamps, etc.) that will lead to a certificate of participation, completion, credits
  - Circle U. language and intercultural skills modules – offering online and blended modules to Circle U. students and other learners to reinforce their language and intercultural competences

**Circle U.**  
European University Alliance
