

Utvikling i antallet søknadsalternativer og program ved UiO de siste fem årene

Noen av studieprogrammene som tilbys i SFMASTER har direkte opptak til programmet, mens andre program består av flere søknadsalternativer. Den orange grafen viser utviklingen i antall tilbudte søknadsalternativer per år fordelt på fakulteter, den blå viser studieprogram.

ARSTALL

Utvikling i tilbudte søknadsalternativer per fakultet

Utgangspunktet er at UiO har tilbudt alle søknadsalternativer på engelskspråklige masterprogram i SFMASTER. Unntaket er MN, som har unntatt enkelte søknadsalt. de siste årene.

Utvikling i antall møtt per fakultet

Tabellen viser utviklingen av antall møtt per fakultet i SFMASTER de siste fem årene. For 2023 inkluderer tallene både studenter som har betalt og studenter som har fått unntak fra betaling.
