

A man in a dark suit and white shirt is lying in a sea of crumpled white paper. He is looking up towards the camera with a wide-eyed, surprised expression. His right hand is raised, palm facing forward, with fingers spread. The background is completely filled with crumpled paper, creating a chaotic and overwhelming environment. A semi-transparent red horizontal band is overlaid across the middle of the image, containing white text.

A hand is shown interacting with a flowchart made of paper shapes on a whiteboard. The flowchart consists of various geometric shapes (squares, octagons, triangles, circles) connected by lines, representing a process flow. A red horizontal band is overlaid on the image, containing the text. The background is a plain white surface.

A hand holding a lit lightbulb against a red background. The lightbulb is glowing, and the hand is positioned at the bottom right, holding the base of the bulb. The background is a solid red color, and the overall image has a soft, slightly blurred quality.
