

## Anbefalte overnattingssteder i Athen

### **Hotels:**

Herodion (<https://www.herodion.gr/en>) and Philippos Hotels (<https://www.philipposhotel.gr/en/>)

The Art Gallery Hotel (<https://www.artgalleryhotel.gr>) (More expensive; pricing depends on demand and availability)

The Athens Studio Hostel (<https://www.athensstudios.gr>) (cheaper but also conveniently located close to the institute)

There is also this recommended by some UiO people who booked it for a workshop:

### **Guesthouses:**

Swedish Institute: [eleni.androvic@sia.gr](mailto:eleni.androvic@sia.gr)

Danish Institute : [assistant.director@diathens.gr](mailto:assistant.director@diathens.gr)

Australian Institute: [lita.gregory@sydney.edu.au](mailto:lita.gregory@sydney.edu.au)

If the students will be using Airbnb, then they should look for accommodation in the **Koukaki** area.
