

Exam KIN4520 spring 2018

Exam text

In this paper you are asked to critically discuss the Chinese government's project of Ecological Civilization, 生态文明.

Please take the following into account:

- Make active use of the attached Chinese article published in Southern Weekly, 南方周末, 22. March 2018. Note that this is a news article, not an academic research article.
- Point to some of major issues related to Ecological Civilization and discuss them critically.
- Identify and use in your paper research/academic literature related to Ecological Civilization.
