

i Information

University of Oslo
ENG1506 – American Civilization
Autumn 2019

This exam consists of **one part** with **four questions**. You are supposed to answer **two** out of these.

All questions must be answered in English.

What you write will be stored automatically every 15 seconds.

You will have access to an online dictionary. You are not allowed to bring your own dictionary to the exam.

You may change the language of the Inspira word processor to English using the “ABC” button in the toolbar.

Break a leg!

1 Exam questions

Answer only TWO of the four questions below. Please indicate which questions you are answering by including the number. Each essay will be worth 50 % of your grade.

1. Why did the North win the Civil War?

2. What were the basic causes and effects of the Great Depression in the US?

3. During the post-World War II years, the US grew in wealth and prosperity, but this was also an era of great anxiety and fear. Why was this?

4. The US played a larger role in global power struggles in the second half of the 20th century and the early 21st century. What has been the result of that?
