Template for your project description

The project proposal should be 5 pages long (not counting the literature/reference list) and **must** include:

1. Working title
2. Description of the research topic or area of interest
3. Literature review [Review of relevant academic literature]
4. Research questions and/or hypotheses
5. Methods and information about empirical data/material
6. Ethics: A brief account of ethical issues
7. Literature-list with the literature used in the project description. Must include at least 5 journal articles.

   Include also: Overview over the self-selected literature (400-600 pages).This list must include minimum 5 journal articles (they can be the same as in 7 above).

Supervision for the project description will be given in smaller groups. You can expect to have 4 meetings with the supervisor.
Students are expected to present and respond to draft project proposals in these groups.
