

**Midterm HUMR 5131 Autumn 2020. Choose one of the two questions below.  
Max 2,500 words.**

1. Choose a specific human right and discuss how you can justify that right. Specify whether you discuss this right as a moral human right, a legal human right or both.
  
2. Do we find human rights in all cultures? It is claimed, for instance, that human rights are peculiarly 'western' or peculiarly 'modern'. In what ways can these latter claims be said to be true? Use empirical examples from the reading list or from a country (or several countries) you know well.
