

**1. Short answer assignment (1/3 of grade)**

Choose 4 out of 6 concepts. Explain shortly and give one example from drug use on each of them:

- a. Rituals
- b. Effervescence
- c. Doing gender
- d. Cultural and social capital
- e. Normalization
- f. Subculture

**2. Long answer assignment (2/3 of grade)**

Choose one or two of the drugs that has been a topic on this course. Discuss the relationship between stigma, marginalization, criminalization, and pleasure for this drug/these drugs. Explain why it is necessary to include perspectives from both “culture” and “nature” to understand use of this drug/these drugs. Discuss how these two forms of explanations can be intertwined.
