Labs and lab report submission

- The lab is in the Physics building, room V442 (4th floor, west).

- Nominally three weeks are assigned to each microcontroller lab assignment.

- **The lab report should <u>include all source code</u>. Put all source files (.c, .h, .VI, etc.) in a zipped folder.**

  - *Log in at **devilry.ifi.uio.no**, and upload your lab report.*

  - *Make sure to <u>label files</u> with exercise number.*

Lab assignment	Submission deadline
LabVIEW Lab 0	3.2
uC Lab 1	24.2
uC Lab 2	17.3
uC Lab 3	7.4
Lab 4 (fys4240 DAQ project)	12.5

If you cannot make the submission dates you <u>MUST</u> contact the TA as soon as possible, and get an approval for a delayed submission!

If your lab report submissions are too late you will not be able to take the exam!
