

**Pensum for FYS3180/FYS4180 høsten 2013:**

G.L Squieres. Practical Physics : kapittel 2,3 og 4.1, Appendix D.2 s 173-175

Kompendium: Hitachi TEM s 1-17, s 30-35 og s 54-56.

Kompendium: PI process control.

Kompendium: Experiments on granular materials

Kompendium: A light scattering experiment

Kompendium: Magneto-optics M. Baziljevich (s 1-17)

Artikkel: Labyrinth Patterns in Confined Granular-Fluid Systems

Artikkel: Interface phenomena and dielectric properties of biological tissue  
(frem til dispersion and electrorotation)

Forelesningsnotat: Forelesning for FYS3180 hydroakustikk
