

## Seminar HYD2010

Oppgaven er å presentere en artikkel for de andre ved et foredrag på 15 minutter. Det skall jobbes i grupper av tre. (Dere er 14, så det blir fire grupper av tre og en av to.) Alle gruppene skal forberede ett (klokt) spørsmål som de kan stille de andre gruppene.

Seminaret holdes i uke 19 (10. mai). Til 19. april skal det formes grupper og velges artikler.
