# IN5480 Group assignment fall 2021 – module 2

*Updated Sept. 26, 2021*

In this course, there are three deliveries for the group assignment. You have all completed a wonder document after module 1. This document presents the assignment for the midterm report, to be delivered at the end of module 2.

## Midterm report – second delivery

The midterm report is the second delivery from the groups. In this document, you expand on the work you initiated in the wonder document.

## Content and form

The midterm report, building on the wonder document, is to contain the following:

- A description of the group, who you are - names.
- A description of what area of "interaction with AI" you are interested in working with.
- **(new)** Background section: Position your work relative to existing knowledge and practice
- Minimum 1 maximum 2 questions that you want to address. Please write some sentences about the questions. These questions can change and evolve later in the midterm report and in the final report - as you go about investigating your questions.
- **(updated)** Method section – overall approach, design process (optional, but encouraged), data collection methods
- **(new)** Sketches and/or prototypes (optional, but encouraged)
- **(new)** Findings (progress, initial outcomes)
- **(updated)** Minimum five references to literature.

Five to seven pages.

The midterm report should also contain two Appendices:

- Appendix 1: Chatbot design task – briefly describe the process and outcome. Detail reflections and lessons learnt. Approx. 1 page.
- Appendix 2: Machine learning task – briefly describe the process and outcome. Detail reflections and lessons learnt. Approx. 1 page.

## Practical information

Same groups as for the wonder document.

Date of delivery: see calendar at course page.

Deliver the midterm report through the Vortex system the same way as you delivered the wonder document.

## Feedback

Feedback to another group is to be given one week after the delivery.
