Publishing RDF data on the Web

1 Linked Open Data

1.1 Exercise

What *is* Linked Open Data?

See also, e.g., `http://www.w3.org/DesignIssues/LinkedData.html` and Tim Berners-Lee's 5 stars data definition.

1.2 Exercise

Explain the difference and highlight the pros and cons of the "hash-namespace" solution and the "slash-namespace" solution.
