Deliverable 1

?

Inf5210 group5 24.09.2003

What shall the presentation contain?

- What did you look at?
- What did you do?
- What did you find?
- What is the relevance to Inf5210?
- Use terminology from IS and ANT.
- Further work?

Presentation tips

- Make slides

- Systematic run through

- Overview, do not go into details

Deliverable 2

- Analysis:
  - Discuss the chosen II against the national strategy for development of national information infrastructures (NII). How does your chosen II take part in a superior NII?
  - Use terminology from readings in your analysis; Installed base, network externalities, path-dependency, lock-in, bootstraping and more.
  - What forces/anti forces stimulate/strengthen or work against further development of the II?
  - Can you identify user groups or areas of use that will be bound/limited by building a common NII?

Deliverable 2

- Choose two of the other groups II and discuss how these relate to each other and the II that you chose. Comment on the two reports.

Next Group 1.Oct

- Groups 7 and 8 will present articles
- Groups 1 and 2 will present their findings from deliverable 1.
