The ideal work space

Who are the users?

Normal breakfast is Coco-pops

-Long drive to Fishhoek
- deliver and check-up with Rob, the drive has great views and scenery and he likes that because he loves the outdoors
-this takes 20-30 minutes

-Rob tells Graham of unhappy client over CB radio
-Graham calls client and arranges meeting
-meets client on site and inspects damp wall
-he then negotiates a solution with the client

-if running late Graham buys a Yogi-sip from 7-11 down stairs

-be alert with devious suppliers and aware of their motives

-run through all song material
-make sure all instruments are in tune
-get out on stage and play their set
-after show pack-up equipment

Trafic sucks. Booms closed means longer drive to work.

Be alert with devious suppliers and aware of their motives

Runs through all son material
Makes sure all instruments are in tune.

-workers don't pitch because of delayed trains
-delayed by 15 minutes
- has to find replacements
-usually a problem on mondays
