Building a world-class children's museum in Oslo

30. august 2007

- **Project vision**
- **Progress**
- **Challenges and opportunities**

The image features a stylized landscape with a white, jagged horizon line against a blue sky. Three hot air balloons with vertical stripes in red, blue, green, yellow, and pink are floating in the sky. The balloons are positioned on the left, center-left, and right sides. The text "Project vision" is centered in the white area.
