

Dear Module 6 students!

Welcome to your small group teaching at the Norwegian Radiumhospital!

Please meet at the reception at the main entrance at 08.30 tomorrow.

There are changing facilities and lockers at Radiumhospitalet. These can be found in the basement-U3, next to "Tøylageret". Please note that there are no locks, so you should keep any valuables with you.

Looking forward to a seeing you there.

Kind regards,
Kristina Lindemann
