

Clinical small groups in pediatrics

When and where to meet when having clinical duty (CW, NICU):

Find your clinical duty schedule at "My studies".

Ullevål: As a general rule, you meet at 8.30 at the meeting room (the last room) at the Infection Ward at ground floor. From 8:30-9:00 there will be a plenary session / discussion meeting with useful knowledge, cases or hot topics in pediatrics. Meet on time, in white.

After this session you will be picked up by the doctor you will be following at Pediatric ward or NICU that day, if no other information has been given.

Rikshospitalet: All students (CSG or NICU) meet in the same room: E1. 2034 (1st floor / 2. etasje) at 8:30 - 9:00 if nothing else says in your plan. Here there will be hot topics in pediatrics. From 09:00 to 11:15 - Clinical teaching at the ward, done by the students.

Ahus: The students should meet 09:00/12.30 outside Grupperom UiO 032 (BS02.032), in white.
