

## **Oslo University Hospital – The Norwegian Radium Hospital**

<http://www.med.uio.no/english/studies/programmes/places/radiumhospitalet.html>

**In charge: Associate professor Gunnar S Balle Kristensen**

E-mail: [g.s.b.kristensen@medisin.uio.no](mailto:g.s.b.kristensen@medisin.uio.no)

Obtain white hospital apparel at “Tøysentralen”/ AU 327, floor U3. Bring indoor shoes.  
Use one of the changing rooms in U3. The elevator number 3210 and 3211 goes down to U3.

Meet at kl. 08:00 on ”Røntgendemonstrasjon 3” in 1.etg., room C 193 a

The students participate in regular rounds and examinations. Assisting and observing in the operation room are possible.

The patients have the right to refuse student participation during examinations. For certain high risk patients the time under anesthesia during an operation must be as short as possible, because of this students may not have the opportunity to participate.

The department makes an effort to have a designated doctor in charge of the students.
