The students are to answer three out of five questions.

NB: Make sure the copy is legible!

Question 1

How can places benefit from being integrated into global production networks?

Question 2

States may, according to Peter Dicken, be seen as *containers*, *regulators*, *competitors* and *collaborators*. Explain these roles, and use examples.

Question 3

Discuss global shifts in the clothing industry. How has China's growth in manufacturing affected her competitors?

Question 4

Define *dependent* versus *developmental* linkage structures.

Question 5

Define the concept of geographical embeddedness. Then discuss potential impacts of transnational corporations on host economies.

Good luck!
