

## Examination

SGO 2500 autumn 2011

You must answer two of the three questions. The questions are weighted equally in the final grade.

### Question 1

Describe different conceptualisations of poverty, and discuss their strengths and weaknesses.

### Question 2

How is gender addressed in development debates, and why is it important to include the gender dimension?

### Question 3

What is the meaning of food sovereignty? Discuss the views of development organisations (such as the World Bank and NGOs) and the WTO on the question of food sovereignty?
