

# Mangel i figur 11.3 side 243 i Mankiw & Taylor

Side 243 i læreboka er følgende figur gitt:

**FIGURE 11.3**

### Education and the Social Optimum

In the presence of a positive externality, the social value of the good exceeds the private value. The optimal quantity,  $Q_{OPTIMUM}$ , is therefore larger than the equilibrium quantity,  $Q_{MARKET}$ .

Figuren mangler en tilbudskurve (privat marginalkostnad), og skal derfor se omtrent slik ut:

**FIGURE 11.3**

### Education and the Social Optimum

In the presence of a positive externality, the social value of the good exceeds the private value. The optimal quantity,  $Q_{OPTIMUM}$ , is therefore larger than the equilibrium quantity,  $Q_{MARKET}$ .
