

## **Written papers for Econ 4130 - 2005H**

There are 3 compulsory papers to be handed in which constitutes the portfolio (“mappe”) evaluation. Normally all three papers must be submitted and approved in order to obtain an approved (“godkjent”) portfolio assessment – which is necessary to be permitted to write the written exam. Students who have obtained an approved portfolio assessment earlier (2003 or 2004) for this course, are not permitted to submit again.
