

Problem Set 2 (Revised)

This new practice problem set is a revised version of the second problem set that was posted on the web page. Since we have not covered enough of Chapter 3, I have excluded the exercises from Chapter 3. Instead, I included three extra problems from Chapter 2.

You should try the following exercises on your own. You do not have to submit your answers. These problems will be discussed in the seminar.

Rice 3rd ed.

Chapter 2: Problems (Section 2.5) – 52a, 55, 65, 67, 71.
