Information about examination in 4160---autumn 2013

From <http://www.uio.no/studier/emner/sv/oekonomi/ECON4160/>

Examination

A 3-hour written school exam. Your course portfolio must be approved before you can present yourself for the written school exam.

Examination support material

Resources allowed: Open book examination where all printed and written resources, in addition to calculator, are allowed.

This autumn the implementation will be:

1. The course portfolio is a mandatory exercise hand-in. You need to have obtained a “pass” on the mandatory exercise before the school exam. The school exam will determine your grade in this course (A-F scale). The 3 hour school exam takes place on 2 Dec 2013.
2. The mandatory exercise hand-in is to seminar exercise number 4. The proposal must be submitted in Fronter before Monday 28/10 (week 44)
3. In week 44 there will be a joint seminar for all, where we review exercise number 4.
4. Individual feed-back and information about pass/no-pass will be given to all (in Fronter) in week 45.
5. As noted above, you need to have obtained a pass on the mandatory exercise in order to take the school exam on 2 Dec 2013 (start 14:30).
