

Plan for lectures spring semester 2008, revised 18 January 2008

Lectures are held for two hours per week, Mondays 10:15 – 12:00, in (**please notice the change:)** **auditorium 3** in the Eilert Sundt building. There are some gaps in the plan, i.e., some lecture free weeks, due to problems in finding a vacant auditorium of sufficient size. (Aud. 3 has been booked by someone else in weeks 7 and 9.) Compared to the original, more compact plan, this means that the the lectures are stretched more out in time, but the final lecture is still well before the exam period. Preliminary plan for correspondence between the lectures and the curriculum:
