- Have numbered pages.
- Have a cover page which specifies:
 - Total number of words
 - The course code and title
 - Which question you have chosen to answer
 - Semester and year
 - Your candidate number. **Do not write your name in your exam paper.** You will find your candidate number in studentweb
- You may write your examination paper in Norwegian, Swedish, Danish or English.
- Make sure your submission is anonymous - do not use your name in your assignment or in the file name
- You are only allowed to submit one file and it needs to be in **PDF-format**.

Use of sources and citation

- You should familiarize yourself with the rules that apply to the use of and citations.
- If you violate the rules, you may be suspected of cheating/attempted cheating.
- The answer must be in accordance with practical advice for writing exam papers in social anthropology.

How to submit your assignment in Inspira

- Read about examinations and submissions (file uploading) in Inspira.
- When you have successfully uploaded your file, you will see that it is saved to your submission.
- When the test closes, your answer will be submitted automatically.
- You can change your file until the test closes.
- You will see your submission under **Archive**.

1 Exam

Answer one (1) of the following three (3) questions:

1. Can we distinguish between moral economies and other kinds of economies? Justify your answer with reference to E. P. Thompson's paper (1971) and ethnographic research.
2. "There is nothing inherent in money that destroys morality, cooperation, or social order." Discuss this claim by Maurice Bloch and Jonathan Parry (1989).
3. "All forms of economic life are embedded within social structures." Discuss this statement with reference to anthropological theory and empirical studies.

Good luck!
