¹ Exam

Answer **one (1)** of the two following questions. You should refer to texts from the reading list, but other texts can also be used if relevant.

1. Infrastructures and digital platforms are shown to be closely related to power and power constellations. Using ethnographic examples, discuss how this relationship is produced by factors such as class, politics, economy, social circumstances, nations, previous colonial power etc. Also indicate commonalities between the contexts.

2. It is stated that with ICT and the internet follows a "death of distance". Use ethnographic examples in a discussion about this statement.

Best of luck!
